FIRE—A fire last night destroyed an upstairs room at the home of R. C. Scott on the Wiswell Road. The Calloway County Fire-Rescue Unit extinguished the blaze.

Scott Home Damaged In Fire Tuesday

A fire in the home of R. C. Scott on the Wiswell Road sent 17 volunteers and three trucks from the Calloway County Fire-Rescue Squad out around 10:45 p. m. Tuesday to battle the blaze that destroyed an upstairs room in the structure.

The fire burned out portions of the west wall of the attic in the dwelling and portions of the roof were damaged before firemen could extinguish the blaze. Booster lines were used to stop the advance of the flames while thick smoke in the attic hampered firefighting efforts. The lower story of the house suffered only minor smoke and water damage. No one was injured in the fire.

Members of the Rescue Squad answering the alarm were: Loyd Key, Floyd Garland, Hal Winchester, Sam Smith, Bernard Steen, Kenny Collins, Steve Ladd, Jerry Edwards, Mike Farley, Jim Green, Charles Tubbs, Carl Hosford, Danny Parrish, Dennis Burkeen, Roger Hughes, Ricky Edwards and John Whitmer. The call was dispatched by Mercy Professional Ambulance Corp.

Applications For 'Little Miss' Due Prior To June 18

Applications for entering the Little Miss Murray-Calloway County Pageant, sponsored by Tau Phi Lambda Sorority, are due before June 18, 1976. Anyone interested in entering their "Little Miss" should fill out an application and send it to Mrs. Ernestine Garland, 218 Irvin Street, Murray, Ky. 42071.

The Little Miss Pageant is for little girls who will be three years old and no more than five years of age by July 11, 1976.

Applications are available at the following places: Bank of Murray, downtown; Peoples Bank, downtown; The Youth Shop, Lad and Lassie and The Stepladder.

Miss Murray State - 1976, Miss Jane Wagar, will serve as Mistress of Ceremonies and will also entertain. Other entertainment will be the Sandy Coleman Twirling Academy.

Proceeds from the pageant will go for a service project for Murray and Calloway County to be announced at a later date.

For additional information call Mrs. Donna Garland, 753-1656, Mrs. Dinah Westerman, 753-8583 or Mrs. Ernestine Garland, 753-8168.

Mostly Sunny

Mostly sunny, hazy and warm today and Thursday. Fair and mild tonight. Highs today and Thursday in the upper 80s to the low 90s. Lows tonight in the mid 60s.

The outlook for Friday is partly cloudy and continued warm.

Calloway FFA Wins Convention Honors

The Calloway County High School Chapter of the Future Farmers of America won honors at the state FFA convention held at Louisville June 1-4.

For the second consecutive year the chapter won in dairy production, had the Regional Star Farmer, and received a Gold Emblem, all on the state level.

Steve McCuiston of Calloway County presided as state FFA president at the convention.

Heart Clinic To Be Held Here June 25

A one-day consultative and diagnostic heart clinic for medically indigent children will be held in the Calloway County Health Department, Murray, on Friday, June 25. This clinic will serve patients from Ballard, Calloway, Carlisle, Fulton, Graves, Hickman, Livingston, Marshall and McCracken Counties.

Dr. Robert Solinger and Dr. Francisco Elbl, Co-Directors of the Kentucky Children's Heart Clinic, Norton-Children's Hospital, Louisville, and other physicians from the University of Louisville School of Medicine, will conduct the clinic.

Co-sponsored by the Kentucky Heart Association, the Bureau for Health Services and the County Health Departments, the clinic provides a diagnostic service for the patient, along with recommendations for treatment and management of the case. It also provides an opportunity for the referring physician to consult with the clinician regarding his patient.

Necessary expenses of the clinic are being underwritten by the Kentucky Heart Association and the Bureau for Health Services. Clinic personnel as well as space and equipment will be provided by the Calloway County Health Department, the Bureau for Health Services and the Kentucky Heart Association.

Only those indigent children who have a written referral from a physician will be admitted to the clinic.

convention. Nine members of the Calloway Chapter were in attendance at the meeting.

Winning the award for having the state winning entry in dairy production was Krit Stubblefield who was also the Regional Star Farmer. He received a plaque and a \$25 savings bond, and his dairy entry will be entered in the national contest.

Seven members from Calloway receiving the state farmer degree were Mark Wilson, Krit Stubblefield, Barry Joseph, Joe Dan Taylor, Kerry Stone, Kerry Wyatt, and Richard Nesbitt.

Mark Wilson served as a member of the nominating committee to select new state officers for the coming year, and Shea Sykes served on the state courtesy committee. Sykes and Kerry Wyatt were official Calloway chapter delegates to the convention.

The Calloway chapter also received a State Gold Emblem symbolizing one of the top eight chapters in Kentucky.

David Bates of Warren Central was elected as state president for 1976-77 with Taylor Cannon of Scott County as vice-president, Mark Cavitt of Symsonia as secretary, Alan Hamilton of Meade County as treasurer, David Flynn of Nancy as reporter, and Scott Kuegel of Apollo as sentinel.

Regional vice-presidents are Ronnie Pryor of Trigg County, Tim Smith of Simon Kenton, Richard Poe of Mason County, and William K. Bullen, Jr., of Rockcastle.

Books To Be On Exhibit At MSU

Elementary and secondary school books and materials for possible use in the public school systems will be exhibited by the Kentucky Bookmen in the ballroom of the Waterfield Student Union Building at Murray State University Tuesday, June 15.

The exhibit will open at 8 a. m. and close at 4:30 p. m., and there is no admission charge. All administrators, teachers and other interested personnel are invited to view the materials exhibited. Dr. Ray Moore, an associate professor in the Department of Instruction and Learning at the University, is the director.

Political Roundup

Carter's Grasp On Nomination Tightens; Ford-Reagan Battle Expected To Continue To August

By DAVE GOLDBERG
Associated Press Writer

Jimmy Carter, at best an outsider when the primaries began, has capped his run from nowhere with a delegate harvest that puts him within a few quick moves of the Democratic presidential nomination.

For the Republicans, the end of the primaries means a continuation of Ronald Reagan's challenge to President Ford.

Carter won only in Ohio of the three big states that held primaries on

Tuesday. But he picked up more than 200 delegates, and all his rivals but one seemed ready to concede him the nomination.

The one who said he won't quit chasing Carter is Jerry Brown, who won big in his home state of California and was joined with Hubert Humphrey as preferred candidates on an uncommitted delegate slate that won in New Jersey. "I will go forward," Brown said. "I think the nomination is still open."

Ford and Reagan, meanwhile, fought to a standoff that virtually guarantees a fight to the convention in Kansas City two months from now.

Reagan took the California primary and with it the 167 delegates that go to the winner there. But Ford won almost all of Ohio's 97 delegates and an uncommitted slate that swept New Jersey's 67 delegate spots is packed with

the President's supporters.

Here is how the delegate count looks with the primaries over:

Carter, who picked up 218 delegates on Tuesday, now has 1,125 of the 1,505 needed for nomination. His closest pursuer is Rep. Morris K. Udall, who

Daley To Support Jimmy Carter For Demo Nomination

CHICAGO (AP) — Mayor Richard J. Daley said today he will support Jimmy Carter for the Democratic presidential nomination at the party's national convention.

Daley, for years a powerhouse in the Democratic party, said the other Illinois delegates are free to vote for whomever they please, but the mayor's decision is bound to have an important impact on what they do.

There are 86 delegates committed to Illinois Sen. Adlai E. Stevenson III, who was supported by Daley as a favorite son and most of these could be expected to follow the mayor's lead.

There is no legal requirement that the Stevenson delegates vote for him, meaning they could vote for Carter or anyone else on the first ballot at the party's national convention.

"Carter's victory in Ohio is the ballgame," Daley told reporters as he entered City Hall this morning. "I'll cast my vote for him and there will be a Carter victory."

City School Board To Meet

The Murray Board of Education will hold its regular meeting Thursday at seven p. m. at the board office, according to Supt. Fred Schultz.

Included on the agenda will be a report on the food service program; consideration of a contract for the audit of the fiscal year ending June 30; staff recommendations; and the superintendent's report, which will include summer maintenance plans and profiles of Kentucky schools.

Grant To MSU Is Announced

WASHINGTON, D. C. — U. S. Congressman Carroll Hubbard has announced Murray State University will receive a grant of \$34,000 from the Department of Health, Education and Welfare, for cooperative education programs.

The grant will provide federal support for cooperative education programs including the planning, establishment, expansion or carrying out of such programs. Cooperative Education programs are those which alternate periods of full-time academic study with periods of full-time public or private employment.

The grant is for the period July 1, 1976 through June 30, 1977. Don Starkey is the project director.

Case Continues In Circuit Court

A civil suit involving an automobile-motorcycle accident continued today in Calloway Circuit Court.

The case of Norma Bennet Bell vs. Robert Blalock began Tuesday in the court of Judge Lassiter, and was expected to be concluded today, according to court officials.

Funding Granted To Continue Search By MSU Researchers For Safer Tobacco

For the second year, a Murray State University research project designed to isolate and identify heretofore undiscovered cancer-producing organic chemicals in tobacco smoke has been funded by the Institute for Tobacco and Health at the University of Kentucky, Lexington.

Since July, 1975, researchers in the College of Environmental Sciences at Murray State have been working closely with the institute in an effort to determine if a new strain of tobacco, in which cancer-producing compounds would not be present or at least minimized, could be produced.

The Murray study was funded by the institute a year ago with a \$27,000 grant. The continuation grant is for \$35,000, making a total to date of \$62,000.

As part of an over-all study, which is centered at the Lexington institute, the Murray State researchers have been working with nicotine-containing tars in an effort to determine if benzopyrene, the most publicized cancer-producing agent in tobacco smoke, contains derivatives which are even more cancer-producing than benzopyrene itself.

According to Dr. Marshall Gordon, dean of the college and one of the principal Murray researchers, these tars come from a large, mechanical "smoking machine" at the University of Kentucky. Built to smoke some 500 cigarettes at a time with the puff, time of draw and length between puffs regulated to simulate people smoking cigarettes, the machine produces the tar samples, or smoke condensates, sent to the Murray scientists to analyze.

"Tobacco smoke condensate is one of the most complicated mixtures of organic chemicals," Dr. Gordon said, "and is made up of many different compounds. In addition, the heat produced when a cigarette burns acts as a reactor and produces even more compounds than were in the tobacco originally."

Researchers long ago determined that benzopyrene was a cancer-producing agent in tobacco smoke. They also have learned that the most minute fraction of tobacco smoke condensate containing benzopyrene has a tumor producing ability when injected into a mouse.

"We think there may be some

derivatives of benzopyrene or related substances that have not been discovered in the tobacco smoke condensate," the dean said. "These compounds are believed to be even more cancer-producing than benzopyrene itself."

"Our work involves taking the smoke condensate and separating it into little fractions and then further fractioning these in an effort to turn up compounds like benzopyrene," he went on. "We refer to these as polynuclear aromatic hydrocarbons, or coal tar products."

"These are sometimes found in diesel fuel and similar mixtures. If we can identify some of these compound derivatives of polynuclear aromatic hydrocarbons that might be even more toxic, or cancer-producing, than benzopyrene, then the whole idea would be to develop the type of tobacco where these compounds would not be present."

The breeding of tobacco is a very sophisticated technique, he pointed out, emphasizing that tobacco geneticists understand the strains and know how to breed the plant in such a way to put in certain compounds or to take out certain compounds.

If more of the harmful compounds can be isolated and identified, he noted, tobacco geneticists will be able to develop a new strain of the plant in which the presence of these compounds would not be seen or at least minimized.

Personalized Plates To Be Available In Kentucky

FRANKFORT, Ky. — Auto owners in Kentucky will have the chance to buy personalized license plates in 1977 for the first time.

The Kentucky Department of Transportation (KYDOT) will begin accepting applications June 19, the day the new law authorizing the special plates becomes effective.

O. B. Arnold, Commissioner of Vehicle Regulation, said the application process will work this way:

—An owner visits his county clerk to pick up an application form;

—He fills it out and mails it to the Division of Motor Vehicle Tax in Frankfort;

—With the application he sends \$25 in the form of a money order, certified check or cashier's check; no personal checks will be accepted.

Later in the year, according to Arnold, the owner will get a letter from KYDOT saying that his plate, as ordered, will be at the county clerk's office when he goes to renew his registration for 1977.

This the owner will do as usual, at the regular fee of \$12.50. He will be issued a 1977 decal and the paperwork that goes with it. He trades that in to the clerk, and for \$1 the clerk hands over the personalized plate.

KYDOT regulations require that application be made before September 1 (no applications will be accepted if received before June 19).

Owners who want personalized plates may apply for any combination of from one to six letters or numbers that do not resemble any usual configuration which occurs on Kentucky plates.

Applications for any combination deemed objectionable by the Department will not be considered, Arnold said. Should such a plate be issued through oversight, he added, it will be recalled.

Since more than one owner may request identical plates, applications provide for alternate choices. Priority will be determined by the time when the application is received.

The law authorizes these plates for passenger cars only.

White & Hughes Vows To Be Read Saturday

Plans have been completed by Miss Vickie Gale White, daughter of Mr. and Mrs. James C. White, for her wedding to Roger Franklin Hughes, son of Mr. and Mrs. Herbert Hughes.

Miss White is the granddaughter of Mr. and Mrs. Ollis Beach and Mr. and Mrs. Layman White. Mr. Hughes is the grandson of Mrs. Hattie Scheriffuis and the late Tony Scheriffuis and the late Mr. and Mrs. Thomas F. Hughes.

The vows will be solemnized on Saturday, June 12, at 6:30 p.m. at the Goshen United Methodist Church with Rev. A. Darrell Murray, an uncle of the bride-elect from Largo, Fla., officiating.

Serving as maid of honor for the bride-elect will be her sister, Miss Susan White. Bridesmaids will be Miss Tonya Carroll and Miss Cindy

Tripp.

Wayne Hughes of Owensboro, brother of the groom-elect, will serve as best man. Groomsmen will be Van Stubblefield and Steve Ladd. Ushers will be Jerry White, brother of the bride-elect, and Carl Hosford.

Bridget Ivy, cousin of the groom-elect, will be the flower girl and serving as ring bearer will be Stacey Smith, nephew of the groom-elect, both of Mayfield.

The soloist will be Mrs. Michael Gallimore and the organist, Mrs. John A. White.

A reception will follow the ceremony in the basement of the church.

All friends and relatives are invited to attend both the wedding and the reception. Only out-of-town invitations were sent.

Dear Abby

Afraid Friends Try To Fix Up Steady

By Abigail Van Buren

DEAR ABBY: I am a middle-aged divorcee. For the last two years I've been dating a very attractive single man. We are not officially engaged, but since we've been seeing each other I haven't dated anyone else, and the only time he has when one of his friends or relatives fixes him up with a "lovely lady" they think he should meet, or when he's asked as a favor to escort a lady somewhere.

I very much resent others casting my gentleman friend in the role of a single available man. When I tell him that I don't appreciate his accommodating others by escorting another lady, or agreeing to accept an arranged date, he tells me I'm being foolish.

How can I handle this annoying situation without appearing possessive and jealous?

NUMBER ONE LADY

DEAR LADY: You can't. Don't blame others for casting your gentleman friend "in the role" of an available man. He doesn't have to accept that role unless he wants to.

DEAR ABBY: Do they sell donkey blinders anymore? If so, I would like to buy a pair for my husband. He never looks at the road when he drives. Instead, he is busy gawking at the young women who are walking along the streets.

He slows down to about five miles an hour to be sure he doesn't miss anything. We've come within inches of having accidents more times than I can count.

How can I get this old coot to keep his eyes on the road? He's 62 and I'm 60.

GAWKER'S WIFE

DEAR WIFE: Even donkey blinders would be useless for this breed of donkey. If you can't get him to keep his eyes on the road, take the wheel. And if he doesn't like it, let him trot!

DEAR ABBY: A friend of ours who is a married woman with children recently lost her mother.

My mother and I disagree on how the condolence card should be addressed.

I say condolences should be addressed to: "Mr. and Mrs. John Jones and family."

My mother insists that the condolence card be addressed only to my friend whose mother died.

Is it proper to console only the party directly bereaved? Or shouldn't my friend's husband and children also receive condolences? After all, her husband lost his mother-in-law, and the children lost their grandmother.

FRIEND OF THE FAMILY

DEAR FRIEND: I vote with you.

DEAR ABBY: About LONG SUFFERING HUSBAND, whose wife would not permit smoking in the house: There is no point in my repeating the damage that smokers do to themselves, but they should realize the suffering they cause others and not expect nonsmokers to remain silent.

I would like to ask that clown this question: If his wife had hay fever, would he expect her to tolerate ragweed in the house?

Special Program Of Slides Of London Shown For Alpha Group

The Alpha Department of the Murray Woman's Club

held its final luncheon meeting of the current club year on Saturday, May 22, at the club house with Mrs. Charles Robertson, vice-chairman, presiding in the absence of the chairman, Mrs. June Smith.

Mrs. A. C. LaFollette presented the program which was a tour of historic places in London by showing a series of slides taken by Mrs. June Smith in the summer of 1975. For the past three years, Mrs. Smith has conducted an education class in London where they study the English educational system, especially the "Infant Schools." Many beautiful slides of the Parliament, Thames River, Westminster Abbey, Buckingham Palace, Trafalgar Square, St. Paul's Cathedral, and other points of interest were shown.

Alpha officers for the 1976-77 year will be Mrs. June Smith, chairman; Dr. Mildred Hatcher, vice-chairman; Mrs. Julietta Christopher, secretary; Mrs. Louise Overby, treasurer.

Hostesses for the meeting were Mrs. A. C. LaFollette, Miss Ann Carr, Mrs. J. A. Outland, Mrs. Max Hurt, and Mrs. Henry McKenzie.

To Marry In July

Miss Karen Darnell
and Glenn Cossey

Mr. and Mrs. Hyland Darnell of Murray Route One announce the engagement and approaching marriage of their daughter, Karen, to Glenn Cossey, son of Mr. and Mrs. John Cossey of Murray Route Three.

The bride-elect is a 1976 graduate of Calloway County High School and is presently employed at Taylor Motors of Murray. Mr. Cossey is employed at Smyth Body Shop, Murray.

The vows will be solemnized on Friday, July 2, at seven p.m. at the Coldwater Church of Christ. A reception will follow at the home of Mr. and Mrs. Hyland Darnell, next door to the church.

No formal invitations will be sent and all friends and relatives are invited to attend the wedding and the reception.

Bride-elect Honored, At Buffet At Home Mrs. Robert Hendon

Miss Lucretia Paschall, June 12th bride-elect of Duke Veazey, was honored at a buffet held May 22 at the home of Mrs. Robert Hendon, complimenting the hostesses of the prenuptial events given in her honor.

The bride-elect wore a striped knit dress from her trousseau. She was presented a yellow rose corsage by the hostesses.

The tables were beautifully decorated with centerpieces of spring flowers. The unique place cards were handmade, decorated with quilled flowers. The buffet held many delicious casseroles, salads and pecan pie as dessert.

Miss Paschall was

presented an electric coffee maker by the hostesses - Mrs. Robert Hendon, Mrs. Paul Blalock, and Mrs. Otley White.

Eighteen persons attended.

Miss Vickie White Is Honored At Shower At The Holiday Inn

Miss Vickie White, June 12th bride-elect of Roger Hughes, was the honoree at a bridal shower held on Monday, May 24, at seven p.m. at the Red Room of the Holiday Inn.

The hostesses for the occasion were Mrs. Gary Smith, Mrs. Wayne Hughes and Mrs. Sam Rodgers.

For the bridal event Miss White chose to wear a green pant suit and was presented a corsage of a white orchid by the hostesses.

Mrs. James White, mother of the honoree, Mrs. Herbert Hughes, mother of the groom-elect, and Mrs. Tony Scher-

ffus, grandmother of the groom-elect, were each presented a corsage of white carnations.

Refreshments of individual cakes iced in white with yellow and green decorations, punch, nuts and mints were served at the beautifully appointed table overlaid with a lace cloth. An arrangement of yellow roses and green carnations was used to center the table. Crystal appointments were also used.

Miss White was the recipient of many lovely gifts. Approximately forty persons were present or sent gifts.

Many Changes Shown In The Concord Area

By Estelle Spiceland
May 20, 1976

I looked down from the glassed in sun porch on Concord Corner since Mr. and Mrs. Reed Smith moved to their home, and thought how time has changed Concord.

Floyd McClure's big garage, once such a busy place, is vacant excepting for a barber shop.

The two stores, once thronged with fishermen and tourists at this season, are closed.

The Post Office is still here, and the Church of Christ and Pentecostal Church are still active. I hear that the Pentecostal Church is to be used for a Senior Citizens Center also.

The Concord School grounds where children have played through the years are now covered with spools of telephone cables and equipment.

But a bluebird built in my gourd hung in the flowering crab bush, and five baby blue birds went out to sing somewhere. So, who can predict how Concord may revive again.

There is a restaurant not far down the highway on both sides of Concord, one at Judson's by Mr. Carmel Church, the other, the L and B at the former Aubrey Farris location.

Good Shepherd United Methodist Church gave a going away appreciation dinner in honor of Miss Jerry Marsh of Pine Bluff Shores before she left recently as a graduate nurse to serve in Memphis Methodist Hospital.

Two beautiful weddings have recently taken place for acquaintances. They are of Lloyd Allan McClure and Julie Saylor's at Hazel Baptist Church, and Bruce Miller and Kathy Crowell in the lovely living room of her uncle and aunt, Mr. and Mrs. Edward Hendon, Concord. Gary McClure, Calloway County High School graduate, played

for both weddings.

The vows still say "Till death us do part" just as in olden days of simple ceremonies without household showers. Best wishes to all newlyweds.

The sunshine has been mixed with many shadows weekly, and age has not always been a factor.

Twenty-three year old Michael Bonner, after a lifetime of suffering under the faithful watch care of his parents, went home to the shelter of God's arms at last.

Morgan Sisk, 48, Glen Sills, 45, Orvis Fielder 58, as well as Mrs. Hardin Wrye, and many older ones, have left vacancies in hearts and homes. Matthew 24:42 says, "Watch therefore, for ye know not what hour your Lord will come." Life here is short, but Eternity is endless.

Mrs. Julie Lovins' parents, the Harry Hawkins, who spend their winters in Florida, are back at home for the summer.

Mrs. Virginia Nance remains in the Murray Convalescent Home.

One noticeable improvement in Concord is the well cared for cemetery.

Now the new addition with green carpet of grass, has lots to sell, says Frank McCuiston, to pay for expenses.

HEARTLINE

Heartline is a service for senior citizens of all ages. Its purpose is to answer questions and solve problems—fast. If you have a question or a problem not answered in these columns, write Heartline, 8514 N. Main St., Dayton, Ohio 45415. Senior citizens will receive prompt replies, but you must include a stamped, self-addressed envelope. The most useful replies will be printed in this column.

Heartline: I have recently turned age 85 and am on Medicare. I know that Medicare will not pay all of my medical bills. I am interested in obtaining a Medicare supplemental insurance policy. Can you give me any ideas as to what type of policy I should have? — C.R.T.

Answer: Heartline has received many requests concerning Medicare supplemental insurance policies. While we cannot recommend a specific company, we can give you some basic information that you should know before buying a Medicare supplemental insurance policy. This also appears in "Heartline's Guide to Health Insurance" which will be available soon.

There are many types of Medicare supplements, offered by many different companies. One insurance company might offer several variations of coverage. Below are listed some of the most basic types of coverage offered by Medicare supplements.

1. Pays the \$104 hospital deductible that you would normally have to pay under Part "A" of Medicare.
2. Pays the Part "A" \$26 deductible per day from the 61st through the 90th day of hospitalization which Medicare will not pay.
3. Pays the daily \$52 deductible which Medicare will not pay while using your 60-day lifetime reserve.
4. Pays the Part "B" yearly \$60 deductible for doctor bills which Medicare will not pay.
5. Pays the 20 per cent of reasonable charges for doctor bills which Medicare

will not pay after you meet your \$60 deductible under Part "B."

6. Pays so many dollars a day from the 90th day on (for a certain number of days).

7. Pays so many dollars a day from the first day of hospitalization above and apart from the deductibles.

REMEMBER, NOT ALL MEDICARE SUPPLEMENTS PAY ALL THAT IS LISTED ABOVE. Some supplements pay a few of these benefits. Very few, if any, pay all of them. Some may have types of coverage not listed above. However, most supplements contain coverage listed in 1, 2 and 6.

Ideally, you would be well off to have all the coverage listed in A through G. However, you will find it difficult to find such a policy, if one even exists; if you do find one it will be very expensive.

We suggest that your policy should cover at least the first \$104 deductible (Part "A") and the \$26 deductible per day under Part "A" of Medicare, and give substantial coverage from the 90th day on, after Medicare stops, as stated in 1, 2 and 6.

Do you have a question about how the Social Security program works? If so, Heartline's "Guide to Social Security" is for you. For your copy of this new 52-page booklet, send \$2 and your name and address to Heartline's "Guide to Social Security," Box 4994, Des Moines, Iowa 50306.

Today In History

By The Associated Press

Today is Wednesday, June 9, the 161st day of 1976. There are 205 days left in the year.

Today's highlight in history:

On this date in 1940, the Norwegian Army surrendered to the Germans in World War Two.

On this date:

In the year 68, the Roman emperor, Nero, committed suicide.

In 1800, the Austrians were defeated by the French in the Battle of Montebello in Italy.

In 1815, the Congress of Vienna ended after dealing with the territorial and governmental problems resulting from the Napoleonic wars.

In 1870, the English writer, Charles Dickens, died.

In 1967, Gamal Abdel Nasser resigned as President of Egypt after his country was defeated in a war with Israel.

In 1971, the United States and Japan announced final agreement on terms for the return of Okinawa to Japan.

Ten years ago: A tornado cut across Topeka, Kansas, leaving at least 14 dead and damage that ran into the millions of dollars.

Five years ago: A Soviet ship was seized in San Francisco as security for a 377-thousand-dollar lawsuit filed by a Massachusetts firm which claimed that Soviet trawlers in the Atlantic had damaged lobster fishing equipment.

One year ago: The Philippines established diplomatic relations with Communist China, breaking its ties with the Nationalist government on Taiwan.

Today's birthdays: World Bank President Robert McNamara is 60

years old. Actor Robert Cummings is 66.

Thought for today: It is easy to be wise after the event—an English proverb.

Bicentennial footnote: Two hundred years ago today, small tenant farmers in Loudon County, Virginia petitioned the Continental Congress in Philadelphia for relief, pointing out that they were destitute because their most important money crop, wheat, had lost its foreign markets.

Bible Thought

Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid. John 14:27.

The world can never know and experience the peace of God until first of all it knows the God of peace!

Let's Stay Well

The Dying Child.

By F.J.L. Blasingame, M.D.

Blasingame

Should children be told the truth when they are fatally ill?

Death at an early age is tragic. If death comes after 60 or 70 years, it is less shocking because the individual has had the benefit of living through a wealth of experiences.

Unfortunately, either through injury or illness, a child may be faced with certain death. Persons responsible for the care of such a victim must decide whether to tell the truth to him.

A study made some years ago of a group of 51 youths, 9 to 20 years old, who were suffering from acute leukemia showed remarkable acceptance of the facts. When told of the inevitable outcome, these patients reacted with very little anxiety.

In some instances, a sense of relief appeared to come when they were informed that they were going to die before long, according to Myron Karon, M.D., and Joel Vernick, M.S.W.

These specialists published

their findings in the American Medical Association's American Journal of Diseases of Children. They wrote, "When the physician gives the fateful news to the parents, the child immediately 'knows' that he has something very serious. His parents, no matter how much how hard they try, cannot conceal their own grave concern. The child quickly senses that the people whom he had come to trust and love are keeping something from him, something frightening."

In dealing with a child who has a fatal disease, the same policy of open honesty should be followed that is indicated in managing a terminal illness in an adult.

Each of us, child or adult, should come to know that death is a "normal" part of life. While we may have faith and trust that the forces which brought each of us into this life will carry us safely out of it, open exchange,

compassion and support from those close by in the final days lessen the anxiety and stress.

Perhaps more than at any other time of life, honest relationships with other persons have great value.

Q: Miss C.W. has been advised that she has endometriosis and inquires about the cause and treatment.

A: The lining cells of the uterus (womb) become implanted in other parts of the body, the most frequent site being the pelvis. These cells pass through the uterine tubes and begin growing on the surface of the ovaries or bowel. Less commonly, lining cells may even be transmitted by the blood stream and reach the lungs.

At each menstrual period, these displaced cells fill with blood and produce local swelling and pressure. For example, on the intestinal wall this swelling

can cause a thickening which temporarily interferes with the passage of feces. After the menstrual cycle is over, the symptoms are relieved until the next period. No medicine dissolves these cells' growth. Occasionally they have to be removed surgically. Less frequently, hormones can give some control and relief.

Q: Mr. B.S. wonders if he is correct in his observation that older persons often have larger ears than do youngsters and young adults.

A: You are correct and accurate in your observation. This difference is explained by the fact that the cartilage in the outer ear (pinna) continues to grow, even slowly, throughout life. Perhaps the variation in growth rates of the cartilage in different persons may explain the differences in size of their outer ears.

McDaniel No-Hits Murray

Darrell McDaniel might as face the fact he can't get any better.

And the Murray American Legion baseball team probably wishes McDaniel would just hang it up and quit.

The reason McDaniel can't get any better is because he has no room for improvement. For the second consecutive game, the Reidland native spun a no-hitter and as a result, Paducah swept a pair from the host Murray Legion.

Signs Agreement

MONTREAL (AP) — The International Hockey League announced Tuesday that it has signed its sixth annual agreement with the National Hockey League which will enable NHL teams to place players with IHL clubs for development.

In other developments at the IHL's annual meeting, Morris G. Snider, general manager of the Port Huron Flags, was selected executive of the year and the league announced its 1977 all-star game will be played in Flint, Mich., Jan. 18.

team in Holland Stadium Tuesday night.

In the first contest, Tony Thurmond had Paducah handcuffed for three innings and then got shelled over the last four frames as Paducah clobbered Murray 9-4.

And in the second contest, McDaniel chalked up 13 strikeouts while walking only three to twirl the no-hitter as Paducah won 4-0.

Last Friday at Harrisburg, Ill., McDaniel threw a no-hitter against Highland, Ill., and Paducah went on to win the tourney championship.

Paducah scored three unearned runs in the first inning of the second game, off Murray hurler Paul Robertson who went the distance and fanned four while walking four.

Bruce Austin opened the Paducah first inning by reaching on an error and moved to second on a fielder's choice. Gene Roof walked and Keith Vasseur singled to fill the sacks.

Rodney Cash then singled to score the first run, Terry

Fletcher was hit by a pitch to force in another run and the final tally scored when catcher Larry Foss singled. Paducah added another tally in the fifth.

In the opening contest, Thurmond was untouchable for the first three innings with Roof's single being the only time Paducah got wood on the ball.

With two out in the top of the fourth, Vasseur singled and then Thurmond issued walks to Cash and Terry Fletcher. Foss ripped a single to score two runs and the visitors broke the deadlock.

Paducah added three more runs in the fifth to go ahead 5-0.

Winning pitcher Mark Russell opened the inning by grounding out hard to third where Jeff Oakley came up with a superb play.

Austin walked and was balked to second and Tony Threatt singled to put men on at first and third. Roof then ripped a single to score a pair and after Vasseur had fled out, Cash singled to make it 5-

0. The inning ended when Terry Fletcher plugged the gap in right center only to have Murray centerfielder Dwaine Musgrow make a sparkling play to save a triple.

The first Murray hit came in the home half of the fifth when cleanup hitter Tony Bayless rifled one off the scoreboard in right for a double. Tony Thurmond singled and after Mickey McCuiston flied to center, Mark Miller legged out an infield single to load the sacks.

Thurmond got a big lead-off second and Foss ripped a wild throw to centerfield to sent in Bayless with the first Murray run.

Musgrow hit a fielder's choice with Thurmond being tagged out at the plate. Paul Robertson singled to score another run but the rally ended when Raymond Sims flew to right.

Paducah added four runs in the seventh to wrap up the contest.

Thurmond went the distance and was charged with five

earned runs while giving up 10 hits. He fanned 10 batters and walked four.

Murray is now 0-2 on the season and will play a 7 p. m. single contest against Paducah tonight in Brooks Stadium.

Paducah now sports an unblemished 6-0 season record.

FOOTBALL DIDN'T HELP—Tony Thurmond lowers his body and prepares to slam into Paducah catcher Larry Foss. But it didn't help as Foss hung on to the ball and tagged out Thurmond. Paducah won the first game 9-4 as Thurmond was the losing hurler.

HE'LL DO IT FOR US SOON—Next fall, Gene Roof of Paducah will be slamming baseballs like this one in the second inning for Murray State. However, Roof was drafted Tuesday in the 12th round by the St. Louis Cardinals but he is expected to elect to attend college.

Local Baseball Results

Tuesday night was another full night in the Murray Baseball Association as eight games were completed. In the Park League the Cubs smashed the Astros 24-21 while in the other game the Mets beat the Cards 36-12. In the Kentucky League, the A's topped the Cards 9-1 while

in the other game the Cubs edged the Astros 3-2. In the Little League, the Cards skinned over the Pirates 4-2. In the second action, the Twins beat the Reds 3-2. The Pony League action found the Dodgers over the Mets by a 4-1 margin and the

Astros beat the Orioles 3-1.

PARK LEAGUE

Troy Underwood came up with a homerun to pace the Cubs' hitting attack. The Cubs used a 12 run first inning to monopolize the Astros. The Astros came up with nine runs in the fifth inning but were stopped short.

The Mets remained undefeated with their 36-12 win over the Cards. The Mets took an early lead and never trailed in the ballgame.

KENTUCKY LEAGUE

Jimmy Parrish struck out seven batters and walked four to take the winning honors for the A's. The A's came up with four hits in their hitting attack.

The losing Cards came up with eight hits but to no avail as pitcher Mitch Grogan took the loss. Grogan struck out four batters.

In the other game, the Cubs stifled a late game rally by the Astros to come out on top 3-2. Kelly Calvin was on his way to pitching a shutout until the top of the sixth inning when the Astros put together two hits to come with two runs. Calvin struck out a whopping 17 batters while walking six.

Roger Dunn took the loss for the Astros, striking out five and walking five.

LITTLE LEAGUE

York and Denham combined for the win as the Cards took care of the Pirates 4-2. Paschall hit a double while teammates, Muller, Taylor, and Denham each singled.

Vic Marshall was the losing pitcher with Keith Houston getting the only Pirate hit.

Ben Underwood was the winning pitcher as the Twins scooped over the Reds 3-2. Tim Brown had a double to lead the hitting attack while teammates Underwood and Ronnie Bryant had singles.

David McMillian took the loss with Ronny Pace and Terry Mankin getting singles.

PONY LEAGUE

Alan Gibbs struck out 12 batters while walking only two to lead the Dodgers over the Mets 4-1. Mimi Winchester doubled to pace the winners as Gibbs and Arlie Knoch singled. Donnie Thompson took the pitching loss striking out four batters. Kim Wilson and Paul Denton accounted for the two Met hits.

In the second game, Gregg Rogers struck out seven batters and walked five for the Astros. Eddie Requarth had two hits while Bill Milton and Rogers each singled.

Kelly White took the pitching loss striking out seven batters. Scottie Hill and George Bell came up with two hits and Todd Bradshaw had one.

Rockets Land John Lucas Of Maryland As Top Draft Pick

By BERT ROSENTHAL

AP Sports Writer
NEW YORK (AP) — Can John Lucas find happiness on both the basketball and tennis courts?

He's going to try. Lucas, a college All-American in both tennis and basketball, was the No. 1 pick in Tuesday's National Basketball Association draft, by the Houston Rockets.

After quickly signing a five-year, no-cut contract for a reported \$850,000 with the Rockets, the 6-foot-4 Lucas said he also was negotiating with a franchise in World Team Tennis and probably would sign with a WTT member — which he did not identify — next week.

"Eye-hand coordination is the most important factor in both sports," said Lucas, who reached the third round of the

recent NCAA tennis tournament at Corpus Christi, Tex. "The footwork in tennis also helps me as a guard in basketball."

"But right now, my primary concern is playing basketball," added Lucas, who averaged 18.3 points a game in four years as a starter at Maryland.

The Rockets, operating under new Coach Tom Nissalke, acquired the No. 1 draft on Monday by trading center Joe Meriweather, guard Gus Bailey and their first-round pick to Atlanta for center Dwight Jones and the Hawks' top choice.

The Rockets and the other teams, meanwhile, chose 175 other players in the 10-round draft which lasted 2 hours, 5 minutes.

Four of them were from Indiana's national champions. All-American forward Scott May, the College Player of the Year, was the No. 2 pick, by the Chicago Bulls. Two others, guards Quinn Buckner and Bobby Wilkerson, also were drafted on the first round. Buckner, like May a member of the U.S. Olympic team, was selected by the Milwaukee Bucks, and Wilkerson went to the Seattle SuperSonics.

Indiana forward Tom Abernethy was chosen on the third round, by the Los Angeles Lakers.

The only starting member of Indiana's NCAA winners to

avoid the draft was All-American center Kent Benson, a junior.

The other 1976 Associated Press All-Americans, forwards Adrian Dantley of Notre Dame and Phil Sellers of Rutgers, were high picks in the draft. Dantley, a junior who decided to pass up his last year of college eligibility for the pros, was taken by the Buffalo Braves in the first round. Sellers went to the Detroit Pistons in the third round.

In addition to May, Buckner and Dantley, two members of the 15-man Olympic team were chosen. They were centers Mitch Kupchak of North Carolina, by Washington in the first round, and Scott Lloyd of Arizona State, by Milwaukee in round two.

Dantley also was one of seven college undergraduates or high school eligibles from a list of 16 to be chosen. The others were forward Richard Washington, by Kansas City; guard Larry Wright of Grambling, by Washington; forward Norm Cook of Kansas, by champion Boston; guard Johnny Davis of Dayton, by Portland; forward Lonnie Shelton of Oregon State, by New York, and forward Jacky Dorsey of Georgia, by New Orleans.

Arthur Ashe Stunned In French Tennis Open

PARIS (AP) — It was the tournament Arthur Ashe really wanted, the one to finish off his page in the record books, and it got away from him — just the way he had feared, just the way he had expected.

After winning all of tennis' big tournaments and being proclaimed the sport's top player for the first time at 32, the French Open, the one he called the toughest competition in the world to win, turned out to be just that. Ashe was out of the tournament before it got to the quarter-finals, beaten by a 22-year-old Hungarian, Balazs Taroczy, in five sets.

"Well, maybe some other time," Ashe said afterward. "I would have liked to play him two out of three, or now, get him at Wimbledon."

All the difficulties Ashe

foresaw to block winning in Paris turned out as he envisioned. All the toughest clay court players in the world, 80 per cent of the global best, come out of the woodwork here, Ashe had said, and a big serve and volleyer like himself has sharply minimized chances compared to those in tournaments on grass or concrete.

Ashe got the hot weather he wanted to bake the red clay courts hard and give the tournament's low pressure balls some more bounce. But he admitted that dealing with the clay still confused him and that he had changed his game for Taroczy. The change to patted lobs and chops worked for the first two sets that Ashe won, but the Hungarian finally caught on.

The scores were 5-7, 2-6, 6-4, 6-0, 6-4.

Outland, Jackson And Burke Reach Semifinals

Murray is quickly becoming the tennis capital of Kentucky, thanks to the girls at Murray Middle School.

A trio of Murray girls have reached the semifinals of the Joe Creason Qualifying Tournament in Louisville.

The semifinalists in the tourney will be playing June 21 in the Southern Closed Tennis Tournament in Gainesville, Ga.

The biggest upset of the tourney came Tuesday when Candy Jackson, who just finished the seventh grade, stunned second-seeded Kathy Ramser of Louisville.

Jackson won the first set 6-0, lost the second set 3-6 then bounced back to win the match by taking the third set 6-2. She had advanced to the quarterfinals by winning two matches Monday.

Jackson will play Robyn Burke of Murray in the semifinals Thursday. Like Jackson, Burke won two matches Monday and then in the quarters Tuesday, the third-seeded Burke won 6-0 and 6-0 over Julie Elder of Louisville.

In the other bracket, unseeded Kathy Outland of Murray won two matches Monday, one an upset over fourth-seeded Kim Bowland of Louisville, 6-2 and 6-1.

Tuesday, Outland won 6-0 and 6-1 over Sally Evans of Louisville.

Outland will play in the semifinals Thursday against top-seeded Nina Howard of Louisville.

Several Familiar Faces Grabbed In Pro Drafts

Several athletes familiar to local sports fans were drafted Tuesday as both the National Basketball Association and the Major League Baseball drafts were held.

In baseball, southpaw George Ploucher of Middle Tennessee went in the ninth round to the Houston Astros. Ploucher was selected as the top lefthanded pitcher in the Ohio Valley Conference.

Also drafted was Gene Roof of Paducah St. Mary. Roof, who has signed a national letter of intent to play baseball at Murray State, went in the 12th round to the St. Louis Cardinals.

The big news on the local scene was that Murray State cage star Jesse Williams was not picked up in the draft. Williams had said at the end of the season if he were not drafted in the NBA, he would probably play professional basketball abroad.

The highest draft choice from the OVC was Eastern's Carl Brown. He went in the sixth round to the Phoenix Suns. Frank Jones of Tennessee Tech was picked up in the seventh round by the Buffalo Braves.

Also nabbed in the seventh round was Johnny Britt of Western Kentucky. Big Tim Sisneros of Middle Tennessee was drafted in the eighth round and like Britt, was picked up by the Cleveland Cavaliers.

Fly Williams, who would have been a senior at Austin Peay if he had finished school, was picked in the ninth round by the Philadelphia 76ers.

Williams left school two years ago to play for the ABA St. Louis Spirits before being released.

Expected to be drafted in a high round was Murray State baseball star Jack Perconte. In a telephone conversation from his home at Joliet, Ill., earlier this morning, Perconte said he did not know as of yet if he had been drafted.

Also standing a good chance of being picked up in the draft is Murray State first baseman Don Walker of Centuria, Ill.

Walker will be a senior next fall.

Teachers Listed For Vacation School At Methodist Church

The First United Methodist Church will hold its Vacation Church School during the week of June 21-25. Classes will be held from nine to 11:30 a.m. for students from three years old through those who have completed the sixth grade.

Each day a chapel service for kindergarten and elementary students will be

held from nine to 9:20 a.m. preceding classwork. These students should assemble outside in front of the sanctuary each morning. Three year old children should report directly to their classroom.

Teachers for the school include:

Nursery I — three year olds — Lashlee Foster, Janie

Ryan, and Shirley Grasty. Kindergarten II — four year olds — Cecelia Brock, Sarah Massey, and Nancy Fandrich. Kindergarten I — five year olds — Beryl Whaley, Dottie Jordan and Shirley Morton. Elementary I and II — Betty Thompson, Vicki Baker, and Ellie Christopher. Elementary III and IV — Judy Stahler, Suzanne

Keeslar, and Donna Keller. Elementary V and VI — Judy Tucker, Cecile Applegate, and Sandy Coleman. Each class will be aided by members of the United Methodist Youth Fellowship. The chapel service will be under the direction of Jane Prince and the music will be taught by Bonita Schwab.

Betty Pitts will be the library resource person and the refreshments will be prepared by Ann Watson, Cindy Dunn, and Jennifer Grouse.

The directors for the Vacation Church School are Mary Lou Abbott, Melissa Easley, and Ruth Ann McLemore.

Jane Addams was an American social worker who, with Ellen Gates Starr, established Hull House in Chicago in 1889 as a leading social settlement and the first of its kind in the United States.

Funeral Services To Be Thursday For Odie Morris

The funeral for Odie B. Morris will be held Thursday at one p. m. at the chapel of the Blalock-Coleman Funeral Home with Rev. R. J. Burpee officiating and the Grace Baptist Church Choir, led by Leland Peeler with Dwane Jones as organist, providing the music.

Members of the Adult Men's and the Golden Circle Sunday School classes of the Grace Baptist Church, where Mr. Morris was a member, will serve as an honorary group.

Active pallbearers will be David Morris, Dwayne Barrow, Kim Sloan, Ron Wright, Donnie Morris, and Morris Wicker. Flower girls will be Mr. Morris' granddaughters. Burial will be in the Oak Grove Cemetery.

Friends may call at the funeral home.

Mr. Morris, age 80, died Tuesday at 8:30 a. m. at his home, 740 - Nash Drive, Murray. A retired farmer and an Army veteran of World War I, he was born November 12, 1895, in Fulton County, the son of the late Terry and Mary Gardner Morris. He and his wife, the former Ola Byars Morris, who survives, were married August 7, 1920.

Survivors are his wife; stepmother, Mrs. Ella Morris, Puryear, Tenn.; three daughters, Mrs. J. P. Wicker, Paducah, Mrs. Floyd Barrow, Hazel Route Two, and Mrs. Ralph Darnell, Murray Route Four; three sons, Charles, Paris, Tenn., Doyce, Murray, and William, Murray Route Seven; six sisters, Mesdames George Jenkins, Glynn Orr, Douglas Vandyke, Rudolph Key, Oman Paschall, and Tom Wilson, and two brothers, Gaylon and Howard Morris, all of Puryear, Tenn.; ten grandchildren; eight great grandchildren.

Funeral Thursday At Local Chapel For Vester Orr

Funeral services for Vester Orr, Sr., will be held Thursday at four p. m. at the chapel of the Blalock-Coleman Funeral Home with Dr. H. C. Chiles and Dr. Bill Whittaker officiating. Burial will follow in the Murray City Cemetery.

Friends may call at the funeral home.

Mr. Orr, age 71, died Tuesday, at 6:20 a. m. at the Gordon County Hospital, Calhoun, Ga., where he had been hospitalized since May 31 when he was stricken ill with a stroke while he and his wife were enroute to Murray from their winter home in Winter Haven, Fla.

The deceased was co-owner of Calloway Monument Works. He and his wife, the former Myra Jobe, who survives, were active for many years in leading song services for revivals throughout this area. He was born July 19, 1904, in Calloway County, the son of the late Bethel Orr and Luna West Orr.

Survivors are his wife, Mrs. Myra Orr, to whom he was married June 24, 1922; one daughter, Mrs. Merle (Jane) Basden, Fort Worth, Texas; one son, Vester Orr, Jr., and wife, Bonnie, Findlay, Ohio; one sister, Mrs. Judge (Ophie) Paschall, Hazel Route One; four grandchildren, Mrs. Gary (Sharon) Frankenfield, Mike Basden, Andy Orr, and Miss Vicky Orr.

Scramble For State Delegates Will Conclude Next Saturday

FRANKFORT, Ky. (AP) — The scramble for 46 Kentucky Democratic delegate posts will be concluded next Saturday and Tuesday, and the fate of one prominent applicant — Lt. Gov. Thelma Stovall — seems in doubt.

Approximately 100 persons are seeking only 11 at-large positions for the Democratic National Convention beginning July 12 in New York City.

About 100 more have applied for 33 alternate spots.

State Democratic Chairman Howard (Sonny) Hunt said Tuesday he has sent the names of all applicants to the three top candidates in Kentucky's May 25 presidential primary, so the candidates can indicate their choices.

When the lists are narrowed, the state Democratic Central Executive Committee will make the at-large and alternate selections Tuesday.

Before that, the other 35 delegates will be picked in seven congressional district caucuses throughout the state.

Old Salem Plans For Homecoming

Homecoming will be held at Old Salem Baptist Church on Sunday, June 13, according to the pastor, Bro. Harold Smotherman, who will speak at the eleven a. m. worship services following Sunday School at ten a. m.

A basket dinner will be spread at noon followed by a gospel singing featuring the Oak Grove Baptist Church Quartet and other special singers.

The public is invited to attend, Bro. Smotherman said.

Local Persons At Lutheran Convention

The tenth anniversary convention of the Mid-South District of the Lutheran Church - Missouri Synod will meet in Memphis beginning Thursday, June 10. The convention theme will be "Blessings Abounding; Opportunities Abounding."

The Mid-South District was formed in 1966 and is made up of western Kentucky as well as the entire states of Tennessee and Arkansas.

More than two hundred delegates from member congregations of the District will be in attendance. Representing Immanuel Lutheran Church of Murray will be James Lichtenegger as lay delegate; Mrs. LaVerne Burke is the alternate lay delegate.

Pastor Robert A. Brockhoff, minister at Immanuel, will serve as the congregation's pastoral delegate. He will serve also on the convention floor committee dealing with District finances. The four day convention will conclude on Sunday afternoon.

The service Sunday at Immanuel will be conducted by Rev. Arthur Lossner of Madisonville.

Country Style Dinner Planned, Temple Hill

A special country style dinner will be served on Sunday, June 13, at the Lodge Hall of Temple Hill Lodge No. 276 Free and Accepted Masons and Temple Hill Order of the Eastern Star Chapter No. 511.

Serving will be from 12:30 to two p. m. and the price will be \$2.50 for adults and \$1.00 for children under twelve.

The public is invited to attend, according to officers of the Lodge and Eastern Star Chapter.

Stock Market

Saturday.

Those names already have been approved by Jimmy Carter, George Wallace and Morris Udall, the top vote-getters in the primary.

The only question is which will be elected by Democrats attending the Saturday caucuses.

All three candidates chose the maximum number of delegates they could have received. But in the primary only Carter achieved any maximums — in the 5th and 7th districts.

At least three applicants seeking to be at-large delegates seem certain to be chosen — Hunt, Gov. Julian Carroll, who endorsed Carter long ago, and former Gov. Edward T. Breathitt.

But the outlook for another applicant, Mrs. Stovall, appears dubious at the moment.

Mrs. Stovall, a diehard supporter of Hubert Humphrey, has pledged to vote for Carter on the first ballot but indicated she would switch immediately to Humphrey if nobody is nominated by then.

A reliable party source said "there is a good chance Thelma will not be picked" as a delegate because of that attitude.

Ledbetter Church Plans For Event

The Ledbetter Baptist Church, located off Highway 94 East, will have its annual homecoming on Sunday, June 13.

Sunday School will be at ten a. m. with worship services at eleven a. m. with Bro. Howard Copeland as the speaker. A basket dinner will be served at noon followed by a gospel singing at two p. m. with all singers and listeners invited, a church spokesman said.

Primaries

(Continued from Page 1)

has 334.5. Brown, who won 200 in California, has 225 and a number in the uncommitted bloc of over 400 delegates.

Ford has a lead over Reagan of 892-868, with 1,130 needed to be the nominee. But Ford's edge is actually greater since no more than a handful of the nominally uncommitted 67-member New Jersey delegation backs Reagan.

As the votes were counted Tuesday and even before, it was clear it would be a day for jumping on the Carter bandwagon.

Carter himself told supporters in Atlanta: "I think I'm going to be the nominee."

And at a news conference, he said he had spoken by telephone during the day with three active rivals, Udall, Frank Church and George Wallace; one inactive rival, Humphrey, and Mayor Richard J. Daley of Chicago, who controls a block of 86 delegates nominally committed to Sen. Adlai Stevenson, a favorite son.

"All of them, as a general group, agreed that I would be the nominee," Carter said.

And that was what just about all of them said, finally conceding defeat after a spring of seeing silver linings in

cloudy results.

Udall, speaking to supporters in Cleveland after his ninth second-place finish, congratulated Carter on a "solid victory, and a brilliant campaign." He said Carter is now a heavy favorite for the nomination and said he wouldn't engage in a stop-Carter move. But he added that he would not release his delegates because they "cannot, be

delivered."

Church said of Carter: "He's coming very close to being able to claim the number of delegates necessary for a first-ballot victory." And he said of his telephone conversation with the former Georgia governor: "I told him I thought he had established an entitlement it would be difficult for the convention to deny."

Humphrey To Confer With Carter

WASHINGTON (AP) — Sen. Hubert H. Humphrey, again pondering a last-ditch challenge for the Democratic presidential nomination, said today he will confer with front-runner Jimmy Carter and California Gov. Jerry Brown before announcing his own intentions.

The Minnesota Democrat made his statement to reporters before speaking to a grocers' group. He said he would announce his plans later in the day.

Humphrey acknowledged Carter "has a very comfortable lead, and I think it would be very difficult to really overcome that lead." But he said he is "very pleased" with the victory of uncommitted delegates in New Jersey who support him and Brown.

"But the name of the game ... is the total number of delegates," Humphrey declared.

He said he would confer with Carter, who picked up 218 delegates in Tuesday's primaries; Brown, who won big in his home state of California; and Rep. Morris Udall, who is Carter's closest pursuer for the Democratic nomination.

Carter now has 1,125 of the 1,505 delegates needed for nomination. Udall has 334.5. Brown, who won 200 in California, has 225 and a number in the uncommitted bloc of over 400 delegates.

After conferring with these candidates and with his advisers, Humphrey said he would make a "public announcement as to what my intentions or plans may be."

Humphrey said he was "a little unhappy, but not too surprised" by Chicago Mayor Richard Daley's statement Tuesday that came close to endorsing Carter.

Bell Business Booming

LONDON (AP) — The American Bicentennial is booming business at the 550-year-old Whitechapel Bell Foundry which cast the Liberty Bell in 1752.

"You couldn't say we're swamped," says Douglas Hughes, one of the partners in the foundry, "but orders have suddenly pepped up because of the Bicentennial. It will keep us going for part of this year anyway."

Besides the six-ton Bicentennial Bell delivered in Philadelphia last week as a gift from Britain, the foundry is turning out two dozen replicas of the Liberty Bell and thousands of scale models in various sizes.

It has completed 14 full-size, one-ton replicas and has 10 more on order for states, cities and organizations. Each takes two weeks to cast, finish and tune to the E above middle C, Hughes said.

Made of copper and tin with the original mould-making gauge, they are exact duplicates of the Liberty Bell "as it left here in 1752," Hughes said.

He stresses "as it left here" because, he says, the 18th century Yanks rather fouled up the original bell.

"People do not realize how brittle bell metal is," he said. "You can break a piece of it with a hammer in your hand because your hand prevents it from vibrating."

"There is no record of precisely what happened, but probably it was hung wrong because it cracked when it was struck."

It was recast, but "they didn't do a very good job. The two people who recast it were not bell founders; they were brass founders. They put too much brass into the new bell and it was too soft. It wouldn't ring."

Memorial Kindergarten Class Has Graduation

By Mrs. Jerrell White
Springtime and an end of another happy time came last Friday, May 28, as the kindergarten from Memorial Church came for that last day of school.

Tuesday night, May 25, graduation time as 23 children marched down the aisle in red gowns looking ever so dignified as five-year-olds graduating. The program consisted of children sharing some phase of things they had learned.

Meg Parrish began by saying "A" is for action and away we go. Dusty Darnell ended by saying "Z" is for zero and now we're at the end. Other poems and sayings were included as they worked through the alphabet.

Bro. Jerrell White presented each graduate with a certificate, followed by the parents, friends, and children going to the Fellowship Hall for the reception and refreshments of cookies and punch served by the kindergarten committee.

On May 18 at 8:45 a.m. all 23 kindergarteners, teachers, and ten mothers boarded the red, white, and blue church bus for a picnic and outing at Land Between the Lakes. Included were Empire Farm and its splendor of animal activity, Silo Overlook, Center Station and film, and lunch.

Bro. Ron Hampton was the bus driver and we arrived back about 2:00 p.m., all tired but happy.

It has been a good year. Teachers and staff say special thanks to you as parents for your child and your cooperation. Anyone interested in enrolling a child for kindergarten may call the church office, 753-3182 or 753-7550.

LONGER LIFE

NEW YORK (AP) Married men live longer than single men, according to the Health Insurance Institute.

The institute says, "A review of government studies shows married men have a markedly lower mortality rate than their single, widowed or divorced brethren. And the disparity in the death rates continues throughout life."

It says its analysis also found divorced men register the highest death rate at most ages over all other male categories.

OLD SPICE

SIoux FALLS, S. D. (AP) — Just over 50 years ago, Harry L. Gustavson spliced some phone cable in a Sioux Falls alley and hoped it would hold up. It did.

Northwestern Bell Telephone Co. workers were enlarging the splice recently when they found a piece of muslin inside which contained the following note:

"Feb. 18th, 1926. Harry L. Gustavson, splicer, Sioux Falls, South Dakota. Weather is fine — 40 above. Hope this splice will be okay until its changed. So long."

Former Bell employee believes Gustavson retired around 1936.

SHOES OFF
PRAGUE (AP) — Before entering his home a Czechoslovak takes off his shoes and puts on slippers. The shoes are left standing outside the door.

Your Individual Horoscope

Frances Drake

FOR THURSDAY, JUNE 10, 1976

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

ARIES

(Mar. 21 to Apr. 20)
New offering may attract you, but do not give up old projects of value. In those fields in which you are trained, and for which you have a liking, you may well speed ahead now.

TAURUS

(Apr. 21 to May 21)
This is not the time for dwelling on old errors, except to recognize that they must not be repeated. On with your present program — especially if it's been built on a solid basis.

GEMINI

(May 22 to June 21)
You may have an unusual opportunity to advance your interests immediately — one which could have an important bearing on your future as well. Be ready to accept.

CANCER

(June 22 to July 23)
Start the day with verve and at a steady pace. Investigate the validity of new offerings. Caution in financial matters advised.

LEO

(July 24 to Aug. 23)
Do not lower your dignity by using strong-arm or other forceful measures to achieve your desires. You will accomplish more through tact and graciousness.

VIRGO

(Aug. 24 to Sept. 23)
New techniques, novel ventures, unusual methods could bring real advancement. Day especially favors experimentation, pioneering.

LIBRA

(Sept. 24 to Oct. 23)
The Libran, connoisseur of the truly good things in life, should have a field day. Especially favored: artists, writers, entertainers, dealers in fine arts.

SCORPIO

(Oct. 24 to Nov. 22)
Better than average influences. Do not rest on your laurels — the past is past. This day is for building.

SAGITTARIUS

(Nov. 23 to Dec. 21)
The results of your efforts will be determined by what use you make of talents and opportunities. Stretch out; delve into areas that give promise of delivering more.

CAPRICORN

(Dec. 22 to Jan. 20)
Saturn auspicious. Activities should be handled evenly so as not to lap over too much in any direction. Start with a tempo you can keep — and do!

AQUARIUS

(Jan. 21 to Feb. 19)
Weigh fitness and the validity of proposed action carefully. Keep your eye on the horizon as you steer ahead.

PISCES

(Feb. 20 to Mar. 20)
Better-than-average opportunities for you to leap ahead and, if one matter seems sluggish, don't think they all are! Your outlook very important.

YOU BORN TODAY are enthusiastic, optimistic, alert and a charming, if sometimes puzzling, companion. You change your mind and your opinions — like a bird flitting from branch to branch — from moment to moment. This does not denote instability but, rather, it often happens that as soon as you express an opinion, a new angle or factor comes to mind and you suddenly reverse yourself. It's a matter of quick perceptions. But others have difficulty in keeping up with you. You also incline to scatter energies. When a new idea hits you, you act on it immediately, pursue it while your interest remains, but drop it before giving it a chance — to get on to something else. This is the Gemini's besetting sin — a lack of stick-to-itiveness. Once disciplined and master of yourself, however, there are no heights which you cannot attain. Imaginative and versatile, you could excel as a writer, painter, musician or theatrical entertainer. Birthdate of: Judy Garland, singer; Prince Philip, of England (Duke of Edinburgh).

'Teamwork' Working Well In Magnesium Plant Experiment

ADDY, Wash. (AP) — "I don't think I'll ever get to the point of hating to come to work in the morning," says Chuck Taylor, who works in a magnesium plant — one where there are no bosses breathing down workers' necks.

Taylor, who taught junior high school for 12 years, is one of 280 employees involved in an Aluminum Company of

America experiment in worker self-government. The new Northwest Alloys, Inc., plant here has no foremen, no unions, and is run by worker "teams" who decide what has to be done and do it.

"My father-in-law worked at Kaiser. It was the same thing every day. Here, if you have any ability at all you can use it," Taylor said.

Social conscience was not necessarily what prompted the experiment, which is also being tried in a Pennsylvania coal mine, a Tennessee auto-parts plant and by West German companies.

"It's for the primary purpose of improving production," Carl Hudson, the Addy plant's personnel manager, said.

In its first five months of operation, the plant's turnover rate has been low and absenteeism is running a low 1 per cent. But it's too soon to tell if the experiment is working.

"I'd say three to five years

is the shakedown period," Hudson said.

The plant's managers caution that the method might not work everywhere. Workers were hand-picked from about 5,000 applicants — only those willing to rotate assignments, doing both skilled and menial work, were hired.

"We were looking for people who would feel comfortable in an unstructured situation, in small groups," said Hudson. "We turned down highly skilled electricians, with 30 years' experience, who weren't interested in learning to be mechanics."

The 7- to 12-member teams hash out work assignments and deal with personality problems, right down to hiring and firing, all on company time.

Darla Ferry, whose seven male teammates elected her team coordinator, has been trained in group problem-solving.

"If there is a problem, you get it straightened out before it gets serious. So it's really relaxing," she said.

Perhaps the system is hardest on the bosses.

Bill Kelly, supervisor of mining and crushing operations, said it has taken him months to realize that worker teams make some decisions better than he would, some worse, but "on the balance the result is about the same."

BOTTLE FEVER
WASHINGTON (AP) — "Bottle Fever" is rising in the Bicentennial search for the six oldest or most unusual American-made glass containers. Thousands of Americans are entering rare bottles in the nationwide competition, reports the Glass Container Manufacturers Institute.

"We have discovered several dozen bottles of great age or rarity," says Kenneth Wilson, director of collections at the Henry Ford Museum who is overseeing the search.

GCM is offering owners of the six winning bottles an all expense paid trip to the Jamestown, Va., Glasshouse, site of America's first factory industry.

Rural School Supported By U.S. Supreme Court

CARSON CITY, Nev. (AP) — A small high school in the Nevada desert has been brought back to life by a court ruling which puts greater emphasis on the closeness between school and home than on budget figures.

A budget-minded school board closed Lund High School this school year, forcing its 30 students to ride a bus 80 miles a day to and from a high school in Ely.

But the Nevada Supreme Court unanimously ruled Monday that rural schools are worth saving. The court said

the close relationship between a school and the home is "something very precious to American education, which has been deteriorating in large communities."

The court rejected the argument that students from Lund would get a better education in Ely. An 80-mile round-trip bus ride impairs a student's performance and participation in school events, the court said.

The ruling means the 50-year-old school will reopen next fall.

Residents of Lund greeted

the decision enthusiastically. Phil Carter, a resident of Lund and a member of the school board, called the decision "the greatest thing that has ever happened in the White River Valley."

Louise Reid, who helped organize a drive to reopen the school, said, "I'm so overwhelmed I don't know what to say. You'd have to quote the tears of happiness which were shed."

Karla McKenzie, 16, who made that 80-mile trip during the closure, said she's happy her upcoming senior year will

be in her hometown of Lund. "I didn't like Ely very well. Mostly I didn't like riding back and forth," she said. "And I think I learned more in Lund. I got the same grades in Ely but I didn't have to work as hard."

"The only thing I liked about it was that I met some new friends. That's about all," said Miss McKenzie, whose parents run a dairy farm.

The high court's ruling overturned a lower court decision that had supported the White Pine County School Board's 4-3 vote last year to

close the school. The high court agreed it costs twice as much: per student to educate a child in Lund as it does in Ely, which has 800 students in the high school. But the court said to give great weight to that argument "would place the continued existence of rural high schools in extreme jeopardy."

HOSPITAL COSTS
NEW YORK (AP) — The average cost to the hospital per patient-day rose to more than \$134 during the first nine months of 1975, says the Health Insurance Institute. It says this was an increase of 17 per cent for the same period a year earlier.

**WHY ARE BANANAS
PICKED GREEN?**

All bananas, even those eaten locally in the tropics, are picked green. They are not fit to eat if permitted to ripen on the plants. People naturally presume that bunches of bananas are cut from the plants green to preserve the fruit during shipment and storage. Many fruits are picked green for that reason, but not bananas, which will not ripen satisfactorily on the plants. If allowed to turn yellow on the plant, bananas lose their good flavor, the skin breaks open, bacteria and insects enter, the fruit rots rather than ripens and becomes so unpalatable that it is worthless for human consumption. Only when bananas are picked while still green, will the starch in them turn to sugar and become a desirable food.
